Dear Saj

We would like to take this opportunity to thank you for the recent charity event held at your premises on our behalf raising an amazing £2010.00.

Your kindness has helped promote our charity and the work we do, without people like you we would not be able to reach out to the children who need us overseas and in the UK.

We're working harder than ever before to save children's lives and inspire others to make it their number one priority. We target the poorest and most neglected children, because we know this is the key to saving millions of children's lives around the world.

Please find enclosed a certificate to display in your reception area thanking you for your continued support.

Thank you once again

Yours sincerely  
On behalf of Save the Children
